Sir/Madam,

Season's Greetings and warm regards from Mumbai.

Indian Society of Cleft Lip Palate and Craniofacial Anomalies (ISCLPCA) is a multidisciplinary organisation represented by Maxillofacial Surgeons, Plastic Surgeons, Orthodontists, Speech Pathologists, Neurosurgeons, Paediatric Surgeons, Pedodontists etc.

Indocleftcon 2025, the annual conference of the ISCLPCA, which was to be held in Sher e Kashmir International Convention Centre, Srinagar, Kashmir from 30th April to 3rd May, 2025 was cancelled due to the national calamity at Pahalgam.

Now it is rescheduled in Bombay Hospital, Mumbai from 6th to 8th August 2025. This conference is aimed at bringing together the cleft professionals to impart knowledge to the juniors and to deliberate and integrate the finer nuances in the cleft craft.

The theme of the conference is "Teamwork Makes The Dream Work". Keeping this theme in mind we wish to propagate the modern concepts and team-based approach with the aim of developing a better understanding between the various specialities providing cleft care. This conference will be a blend of pre-conference courses, scientific lectures, panel discussions & debates that will enrich the practitioners and trainees.

The organizing committee acknowledges your stature as a company in the management of Clefts and Craniofacial deformities with keen interest towards the academics. We look forward to your participation in the event which will be mutually beneficial to both the delegates and your good self.
